

# Stephan Erasmus

Level 1 Technical Support Engineer | BSc IT (Security & Network Engineering)

📍 Durbanville, Cape Town 📞 +27 82 461 1600  
✉ [serasmus2004@gmail.com](mailto:serasmus2004@gmail.com)

## Summary

Motivated and disciplined BSc IT (Security and Network Engineering) graduate with strong technical knowledge in networking, cybersecurity fundamentals, and systems administration. Brings two years of professional experience in a high-pressure, client-focused environment at a luxury automotive dealership, demonstrating exceptional reliability, punctuality, and problem-solving under pressure. Skilled in using Cisco Packet Tracer for network design and troubleshooting, and eager to apply both technical training and proven work ethic in an entry-level IT or security-focused role.
